Potential contactors (name and/or type)

CONFLICT OF INTEREST DISCLOSURE

Buyer covenants that no member of the Common Council of the City of Milwaukee, nor any of its officers or employees, has any interest in the Buyer or the intended redevelopment of the property, except as follows:

Is Buyer a City of Milwaukee employee or member of any City board? Yes No
If yes, identify the department, board and/or and position:

City POLICIES

The City will not sell property to buyers whom are:

- Tax delinquent to the City as an individual or member of a corporation or partnership
- Unabated code violations or an extensive history of code violations
- Convicted of a felony crime that affects property or neighborhood stability
- Been subject to a City judgment within the previous five years

Properties are sold on an "as is, where is basis." City discloses that vacant lots may contain old foundations and debris or other subsoil problems and that buildings may contain asbestos containing materials for which Buyers are solely responsible. ALTA surveys are not typically provided. Building encroachments in the right of way may require Special Privilege Permits and are the responsibility of the buyer.

A Phase I Environmental Assessment will be provided at no cost to buyer except for residentially zoned property. Phase II testing costs are shared equally. Remediation will be conducted in the most cost effective manner to obtain closure and may require deed notifications and/or registry on a geographic information system.

Buyers are expected to comply with the City's Emerging Business Enterprise (EBE) goal of 18% of the total project budget. A Best Efforts EBE Agreement may be required prior to closing.

All properties must be fully taxable for property tax purposes. The deed shall contain a restriction prohibiting future application to the City for exempt status.

While standard, each transaction is unique and these terms may vary.
